## Error:   ggplot2 doesn't know how to deal with data of class function
```

Orange bars indicate significant activity for a given metric. Bars are only significant when a metric is above the 75th percentile and exceeds a minimum frequency. These include **highly discussed** (for tweets), **highly cited** (for forks), and **highly recommended** (for stars). [1] A more detailed report can be viewed at http://impactstory.org/collection/d4npn7.
